

BlueCross BlueShield of New Mexico

# Check Out Your Preferred Vision Care Program

As a member of Blue Cross and Blue Shield of New Mexico (BCBSNM), you and your covered dependents are eligible for vision care benefits administered by EyeMed Vision Care.

## What are my vision care benefits?

Your benefits<sup>1</sup> include:

- \$10 copay for one eye examination every 12 months
- Discounts on the purchase of eyewear materials, including 20 percent off nonprescription sunglasses

*Remember:* When you visit an EyeMed Vision Care network provider, your copayment is due on the day of your visit.

## How do I locate an EyeMed provider?

The EyeMed Select network consists of thousands of independent and retail providers, including national favorites like LensCrafters®, Pearle Vision, Sears® Optical and Target Optical®. Visit [eyemedvisioncare.com/bcbsnm](http://eyemedvisioncare.com/bcbsnm) and use the Enhanced Provider Search tool to find a provider in the Select network.

Online, in-network access to [contactsdirect.com](http://contactsdirect.com)<sup>2</sup> and [glasses.com](http://glasses.com). For more details about what your plan covers, please contact EyeMed or visit [eyemedvisioncare.com/bcbsnm](http://eyemedvisioncare.com/bcbsnm).

## Do I need a referral?

You don't need a referral. Simply visit any EyeMed provider and show your ID card to access your vision care benefits and discounts. Don't have an ID card? Simply tell your provider your name and date of birth.

<sup>1</sup> For more information about your vision benefits, refer to your benefit booklet.

<sup>2</sup> Federal law prohibits the dispensing of a quantity of contact lenses whose intended use would exceed the expiration date of the contact lens prescription.

## What eyewear options do I have?

Forget frame towers, special collections or confusing contact lens formularies. Your vision is too important to set limits. As a BCBSNM member, you get to choose from any brand available, including the world's leading frame designers, like Oakley® and Ray-Ban®.

## Are discounts\* included?

You receive extra discounts above your plan benefits, including:

- 35 percent off retail price of frames\*\*
- 20 percent off any item not covered by the plan (limitations may apply)
- 15 percent off retail or 5 percent off the promotional price of LASIK. For more information regarding the LASIK feature, call 877-552-7376 (**877-5LASER6**).

See a list of available discounts in the blue box to the right.

## Do I need a vision ID card?

As long as you have your BCBSNM medical ID card, you do not need a separate vision ID card. However, if you would like a separate card, you can register online at [eyemedvisioncare.com/bcbsnm](http://eyemedvisioncare.com/bcbsnm) or via the EyeMed mobile app to download and/or print a card. You can also just provide your name and date of birth to your provider.

## Are there any exclusions?

The following are some of the items not covered as part of the vision care program. Refer to your benefits booklet for a full list.

- Medical treatment of eye disease or injury
- Vision therapy
- Services performed by a provider who is not in the EyeMed network
- Replacement of lost eyewear
