

Check Out Your Premier Vision Care Program

What are my vision care benefits?

Your benefits¹ include:

- \$10 copay for one eye examination every 12 months
- Spectacle lenses or contact lenses² every 12 months and a frame allowance every 24 months.
- Discounts on the purchase of eyewear materials, including 20 percent off nonprescription sunglasses

Remember: When you visit an EyeMed Vision Care network provider, your copayment is due on the day of your visit.

How do I locate an EyeMed provider?

The EyeMed network consists of thousands of independent and retail providers, including national favorites like LensCrafters®, Pearle Vision, Sears® Optical and Target Optical®. For a list of EyeMed providers near you. Visit eyemedvisioncare.com/bcbsnm and use the Enhanced Provider Search tool to find a provider in the Select network.

In addition, you have online, in-network access to contactsdirect.com and glasses.com. For more details about what your plan covers, please visit eyemedvisioncare.com/bcbsnm.

Do I need a referral?

You don't need a referral. Simply visit any EyeMed provider and show your ID card to access your vision care benefits and discounts. Don't have an ID card? Simply tell your provider your name and date of birth.

¹ For more information about your vision benefits, refer to your benefit booklet.

² Federal law prohibits the dispensing of a quantity of contact lenses whose intended use would exceed the expiration date of the contact lens prescription.

As a member of Blue Cross and Blue Shield of New Mexico (BCBSNM), you and your covered dependents are eligible for vision care benefits administered by EyeMed Vision Care.

What eyewear options do I have?

Forget frame towers, special collections or confusing contact lens formularies. Your vision is too important to set limits. As a BCBSNM member, you get to choose from any brand available, including the world's leading frame designers, like Oakley® and Ray-Ban®.

Are discounts* available?

You receive extra discounts above your plan benefits, including:

- 40 percent off additional pairs of prescription glasses
- 20 percent off any item not covered by the plan (limitations may apply)
- 15 percent off retail or 5 percent off the promotional price of LASIK. For more information regarding the LASIK feature, call 877-552-7376 (**877-5LASER6**).

See a list of available discounts in the blue box to the right.

Do I need a vision ID card?

As long as you have your BCBSNM medical ID card, you do not need a separate vision ID card. However, if you would like a separate card, you can register online at eyemedvisioncare.com/bcbsnm or via the EyeMed mobile app to download and/or print a card. You can also just provide your name and date of birth to your provider.

Are there any exclusions?

The following are some of the items not covered as part of the vision care program. Refer to your benefits booklet for a full list.

- Medical treatment of eye disease or injury
- Vision therapy
- Services performed by a provider who is not in the EyeMed network
- Replacement of lost eyewear
- Services not performed by licensed personnel

*Discounts are subject to change and may be discontinued at any time.

Benefits are available from the EyeMed Vision Care, LLC provider network and are administered by First American Administrators, Inc., independent companies that offer benefits on behalf of Blue Cross and Blue Shield of New Mexico.

Blue Cross and Blue Shield of New Mexico, a Division of Health Care Service Corporation, a Mutual Legal Reserve Company, an Independent Licensee of the Blue Cross and Blue Shield Association
